

2021 CUPP REWARDS CATALOG

For Hours Volunteered In 2020

This catalog contains an array of high-quality promotional items to thank you for your 2020 CUPP volunteer hours in helping your community, displaying your Local Union pride and getting the Southwest Carpenters Union brand broadcasted.

Your participation in CUPP allows our union to grow stronger and continue to work towards securing better futures for Carpenters. This was evident in the hours you volunteered to Get Out The Vote to ensure that labor friendly elected politicians were in office.

This is your personalized email that identifies your tier based on the number of hours that you volunteered in 2020. You may select one promotional item from your tier, or any tier below the one you are eligible, dependent on the tier level and hours.

Members who reach the "CUPP Champion Volunteer" status by achieving hours that place them in tier sixteen (16) will receive special instructions and additional options available to them.

Thank you again for staying essential and for your participation in this great program. I encourage you to fill your CUPP in 2021!

Fraternally,

A handwritten signature in blue ink that reads "Dan Langford".
