STATE BALLOT MEASURES

✗ NO ON INITIATIVE 2117

By voting No on I-2117, Washingtonians can protect essential infrastructure investments that have generated hundreds of jobs for union carpenters. In 2023 alone, \$3.2 billion was dedicated to climate-focused projects, fueling job growth and sustainable development. This deceptive initiative undermines both union workers and the economy. Protect union jobs, protect progress—vote No on I-2117.
