

Attention Carpenters,

Stay Up to Date!

Your contact information – address, phone number, email – needs to be up to date to receive news and information from your Local.

If you have moved **within the last two years**, please be sure you've submitted your new address (phone number and email) to your Local.

Please call or visit your Local to give them your updated contact information.

Don't wait – update your contact information with your Local today.
